1. **THE GENESIS:**

Child Image-Building Foundation (CIBF) is a non-governmental, non-denominational, non-profit making but a Pentecostal mission based Agency prompted by the Holy Spirit. The purpose is to harvest our children from the prime age, between three (3) and Seventeen (17) for the kingdom of our Lord Jesus Christ here on earth, for the kingdom of God belongs to them (Luke 18:16), to the praise, honour and glory of God, who is blessed and only potentiate, the King of kings and Lord of lords.

2. **THE VISION:**

The vision of CIBF is to build Kingdom minded children, whose nature, character and moral values will conform to the image of Christ, through the Gospel of the Kingdom of God (Luke 18: 16, Romans 8:29) and educational instructional tools.

3. **THE OBJECTIVES OF CIBF**

- i. To reach out to every child from age 3 to 17 with the love of Jesus Christ.
- ii. To help the child discover that the kingdom of God belongs to them. (Luke 18:16).
- iii. To create the necessary awareness and awaken the creative and enterprising skill in every school age child.
- iv. To promote and support the discovery, development and deployment of children, abundant and peculiar abilities and skills in solving problems within their environment.
- v. To create and perpetrate culture of creativity, enterprise, sportsmanship, and exploit same as a way of maximizing their potentials in restoring human dignity.
- vi. To create a suitable platform upon which future learning skills and professional practice can be built on, thereby enhancing the speed in them in becoming global leaders in their future endeavors.
- vii. To provide kidney centre where medical interventions will be given especially for children in the rural areas where the families may not be capable to meet such critical healthcare needs.
- viii. To provide modern educational facilities where necessary to meet the above vision and objectives.

4. **THE COMMISSION:**

Our commission is to take the whole gospel of the kingdom of God, in combination with educational based instruction, to nurture children's personal qualities that will form the basis for

entrepreneurship such as: creativity, Spirit of initiative, responsibility, capacity of confronting risk, independence, etc. To this end, the children natural, character and moral value will be built to conform with the image of the person of Christ the Lord (Romans 8:29).

5. **OUR BASIC BELIEFS:**

- i. We believe all children are creative, although their creativity may take a wide variety of forms.
- ii. Each child (pupil) has a range of ideas, perceptions in a personal way and at times, shows insight and inventiveness.
- iii. While some Pupils may demonstrate high level of creativity in particular area such as: sports, music, dancing, fashion, science or problem solving etc, there may be creative in the range and quality of ideas.
- iv. If a variety of opportunities for creativity are organized, children will most likely find and develop their creative talents in particular areas of interest.
- v. An idle mind is the devil's workshop.
